We are nearing the end of our 2016/ 2017 season and it has been a great year for everyone!

We have some great news to share with all of you, because of the support we are receiving from the Ontario Trillium Foundation, we are able to offer **special pricing**. This special pricing has been extended to all StarSkate and SynchroSkate programs.

In addition to these special rates, we will be offering **early bird discounts** during the week of May 7th 2017. You may take advantage of our online recurring credit card payment options or you can bring in post-dated cheques with the 1st payment dated May 15th 2017.

Volunteer credits, we provide volunteers to the Paradise Charitable Gaming Centre each month and volunteers are compensated for their time with registration credits. You must be 18 years of age to work a bingo and it is necessary to receive some customer service training before you will be put on the schedule. If you are interested in this option please contact Cathy Fox.

Monitor credits, if your child is 10 years of age or older, has been a Junior for at least one year and is interested in becoming a monitor, please contact Cathy Fox. A monitor clinic will be held in the Summer. Monitors receive a \$3 credit towards registration for every session they assist with. We also welcome adult monitors who receive the same credit for registration.

Thank you for making our 2016/ 2017 skating season a successful one!
